

**children's mental health • child protection • developmental support**

The agency currently requires a:  
**1 – Permanent full time, Child and Family  
Clinician 4 day work week / 33 hours**

You are seeking

- A dynamic professional opportunity to provide clinical assessments & intervention for children, youth and their families who are dealing with mental health or family functioning challenges;
- A challenging role that offers flexibility, learning opportunities and work within a multi-disciplinary team;
- A unique opportunity to work in a progressive, multi-service agency in collaboration with community partners.

**We** are seeking a Clinician with:

- Training and demonstrated experience with a thorough understanding of mental health crisis & risk assessment.
- Training and experience with evidence-based treatment approaches including DBT, CBT, Narrative Therapy, Solution Focused Therapy, DDP and trauma informed approaches e.g. ARC framework.
- Demonstration of a strong understanding of the Mental Health Act and PHIPPA;
- Demonstrated abilities with respect to sound judgment, critical thinking skills, risk assessment and response, and provision of clinical support;
- Dedication to a collaborative approach in working with clients, colleagues and community professionals with a variety of therapy models;
- Significantly strong engagement, assessment and intervention skills with a commitment to working from a strength's based perspective;
- A preferred educational background of an MSW/MA/M.Ed (Counseling) with five years of relevant clinical experience in child and youth mental health;
- Registration in good standing with relevant professional college.
- Computer proficiency, with experience in Caseworks being an asset.
- Availability to work flexible hours.

If you are interested in this job opportunity, please apply by email on or before Friday December 31, 2021
